The goal of Bridging Care for Families is to uniquely support families who are striving to care for an individual with significant medical needs. We believe that family centered nursing supports are critical in complementing families' capacities to provide care at home. In addition, our goal for skilled services is to provide the highest quality nursing and therapy services to our clients to ensure they reach their optimal level of health and well being.

Bridging Care for Families is a division of Multicultural Community Services of the Pioneer Valley, Inc., a non-profit agency with a proud history of providing a broad range of support services for individuals with developmental disabilities and their families

Multicultural Community Services does not discriminate against any person on the basis of race, color, national origin, disability, or age in admission, treatment, or participation in its programs, services and activities, or in employment.
