**Message from Nikki**
If you let us know a week before an event that you are coming, it will help us know how many people we need to accommodate. Also, if you provide us with your email address, we will send monthly reminders of the events coming up. Sometimes things change and email is the easiest and quickest way for us to keep you up-to-date.

In winter, If schools are closed due to snow, we also cancel events. Some events may be held outdoors so if it’s raining, we may cancel as well. If you are not sure, give us a call.
