

MCS encourages our employees to

CHOOSE to get VACCINATED

PROTECT yourself, your family, clients, co-workers and your community

- **Vaccine offers additional protection from Covid-19**
- **The vaccine has been proven to be safe and effective**
- **You cannot get the Covid-19 virus from the vaccine**
- **The more people that vaccinate, the best chance we have of ending the pandemic**

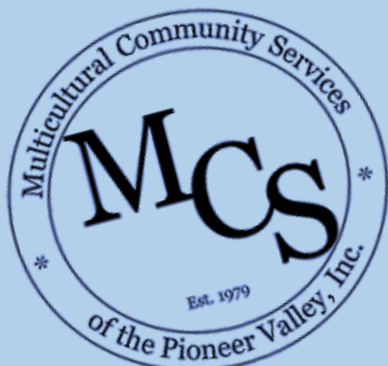

Have some concerns about the vaccine?

MCS encourages you to talk with your doctor or one of our nurses.

You can also research various websites to get the information you need.
