Partial Hospitalization Program

The Baystate Hospitalization program provides brief, intensive, psychiatric treatment for children and adolescents in crisis. It offers a full range of psychiatric services within a highly structured setting, providing an alternative to full hospitalization for children and adolescents.

Referrals required from mental health provider

(413) 794-5555

The Children's Behavioral Health Initiative (CBHI)

An integrated system of behavioral health services to meet the needs of the identified child/adolescent (under the age of 21) who is a MassHealth or CommonHealth member. These services are intended to be strength based, family driven, culturally responsive and collaborative.

Some of the services which fall under the category of CBHI are:

- Intensive Care Coordination In-Home Therapy
- Mobile Crisis Intervention
- In-home Behavioral Health Services
- Therapeutic Mentoring Services
